ABOUT US

Nelumbo Global Limited is an international events and trade facilitation company connecting businesses, governments, and investors across Africa and global markets. We design and deliver world-class trade exhibitions, conferences, and high-level networking platforms that enable meaningful engagement, collaboration, and sustainable business growth. Through curated networking events, government-private sector forums, and trade missions, we create platforms for exchange of ideas, formation of partnerships and unlocking of opportunities.

Beyond events, we support trade promotion and market linkage initiatives that help businesses, particularly SMEs and MSMEs to access new markets and build strong cross-border relationships. Our Elite Importer-Exporter Club provides a premium platform for vetted companies to connect, share insights, and pursue high-value opportunities. Guided by integrity, innovation, and impact, we are committed to strengthening Africa's position in global trade while delivering measurable value to our partners and stakeholders.

Mission

To design and deliver inspiring, world-class event experiences that promote trade, investment, and collaboration across industries, while empowering African businesses to thrive in global markets.

Vision

To be Africa's leading hub for global exhibitions, trade promotion, and experiential events, connecting people, brands, and ideas that shape the future of international trade.

OUR VALUES

Collaboration

We bring people, industries, organizations and governments together to achieve mutual growth.

Impact:

Every event we design drives measurable value for our clients and business communities

Integrity

we build trust through transparency, accountability and curating value-driven events

Innovation

We create fresh ideas, bold concepts, and memorable experiences

Professionalism

we deliver consistent quality with precision, creativity, and reliability

OUR SERVICES

Investment & Trade Missions

We design and deliver investment missions and business forums that connect investors with high-potential opportunities, facilitating partnerships, deal-making, and cross-border investment.

Trade Exhibitions & Conference

We organize world-class trade exhibitions and conferences that connect buyers, sellers, and industry leaders, creating platforms for market access, knowledge exchange, and business growth.

Networking Events

We curate high-level networking experiences including executive dinners, business breakfasts, and roundtable forums designed to foster meaningful connections and strategic partnerships.

Government-Private Sector Forums

We facilitate dialogue between governments and the private sector, creating platforms that promote policy engagement, investment opportunities, and sustainable economic development.

Trade Promotion & Market Linkage

We support businesses in accessing new markets through targeted trade promotion initiatives, buyer-seller matchmaking, and strategic market linkage programs across Africa and beyond.

Elite Importers-Exporters Club

A premium membership platform that brings together vetted importers and exporters, offering exclusive networking opportunities, market intelligence, and high-value trade connections.
